

RSSA Executive Board Meeting Minute, 10-4-20 (1.0)

Convened (via ZOOM) at 9:00am, concluded at 11:00am

Attendees: John Remington, Darrell Atkins, Jerry Anderson, Dick Mumbleau, Jim Erdman, Jeff Handevitdt, Jay Monogue

2020 Park Review: Matt Johnson, Roseville Parks and Rec. Director and Darrell A. led the discussion. Field prep for the season was reported to be "outstanding". Cost of fields to RSSA, \$16/game vs standard list of \$25/game.

However there were some concerns: *Lex 1 is unplayable after moderate rains. Matt J. noted and will give the field additional attention when possible.* After field improvements, outfields still have too many mounds and holes. Matt J. responded that ground "moves" constantly because Central Park is built on a bog. No practical remedy.* Inadequate number of porta-potties. Matt said Covid issue complicated matters in 2020. Back to normal in 2021.* Roseville had a few complaints about RSSA cars on park pathways. It is an issue for the disabled. RSSA will address. Also 2 unfavorable player interactions with Roseville Park employees were noted. RSSA noted these actions by players are always unacceptable and were addressed.

Jeff Handevitdt reported **Pioneer Park** fields and **Little Canada** interface went very well again in 2020.

2020 Summer Survey: Details under a separate RSSA website post. Overall, positive response by 256 players. Biggest issue is "run through rule" which will be addressed in the winter session. 25% said masks should be worn during the winter session. Board agreed and updated Covid 19 response policies accordingly (details separately posted in the

RSSA Covid 19 winter season policies sent to all winter players on 10/3/20)

Winter 20-21 updates: Total players number virtually equal to last year. 6 teams set-up in each in C/D, B/C leagues. 3 in A. No Pizza parties planned due to Covid.

League Name Change proposal: Bob Hoffman, D League Summer Director, brought forward a proposal to consider renaming the 4 leagues from A/B/C/D to A/AA/AAA/AAAA. After discussion the Board voted to leave league naming as it is and has historically been from the earliest days of the league split.

Respectfully submitted

Jim Erdman

RSSA Secretary
